CASE REPORT**NARRATIVE**

Assault 4th

C. Pierce

While assigned as 2K7 on 10-31-2017 at 0710 hours I was sent via NORCOM to a reported assault that occurred at 0300 hours this morning at 10200 NE 132nd Street the Fairfax Hospital.

NORCOM related that one patient assaulted another patient this morning.

Upon my arrival I contacted the charge nurse [REDACTED] who related that at around 0300 hours this morning one patient assaulted another patient in West One in the common area. [REDACTED] then took me to contact the victim [REDACTED] outside of West One.

[REDACTED] related that he was sitting on the floor talking to another patient in the commons area across from the nurses station in West One. [REDACTED] related that another patient [REDACTED] walked past him and appeared to be watching a third patient the suspect in this assault [REDACTED]

As [REDACTED] approached [REDACTED] he stood next to him for a few seconds and then [REDACTED] threw what looked like tea on [REDACTED]. The hospital staff acted quickly to separate [REDACTED] and [REDACTED]. [REDACTED] then walked away from [REDACTED] and as he approached [REDACTED] he [REDACTED] started punching [REDACTED] in the head several times.

Hospital staff then stepped in and pulled [REDACTED] away from [REDACTED]. [REDACTED] was then taken off of Wing One.

[REDACTED] was then taken to Evergreen Medical Center for his injuries.

I took a written statement from [REDACTED] and filed out a medical release form. [REDACTED] read and signed the medical release form.

[REDACTED] related that [REDACTED] was at the hospital on a court ordered involuntary commitment and he had refused to take his medical the night before. [REDACTED] said that [REDACTED] has a court appearance today. And that after the assault he was forced to take his medication. As of this time I am not able to interview [REDACTED] due to him being sedated.
